▶ Please READ COMPLETELY, then check the services desired, fill in the dates you prefer, sign and return this agreement with your deposit or full amount as soon as possible. Schedule dates are given on a first come, first serve basis, and weather permitting. **A \$50 deposit AND a valid credit card number is required before services can be scheduled!**

Above Ground Pool - \$215

Date preferred for opening: ____/____/2012

Inground Pool - \$315

Is it necessary to call before service? Yes No

Commercial Pool – By Bid/Quote ONLY!

Extreme Opening - \$398 (Includes One(1) Extra Vacuuming & Extra Shock – For GREEN Pools!)

▶ Aqualand reserves the right to add additional charges for mileage outside the Bowling Green area and/or multiple trips and/or excessive cleaning. Any damaged or missing equipment necessary for the opening of the pool will be provided by Aqualand at the discretion of our service technicians. Pool cover must be cleared of excess debris before service is performed. Additional charges will apply if heavy debris must be removed by our techs. If applicable, pool heater will not be left running unless otherwise specified by owner.

Opening Includes:

- | | |
|--|---|
| 1. Removal and Cleaning of winter cover. | 5. Vacuum and brushing of pool. ** (See Notes Below) |
| 2. Application of oxidizer (Shock) and algacide. | 6. Free water chemistry analysis. (Brought in by customer 48 Hours after opening) |
| 3. Installation of deck equipment and accessories | 7. Soft Swim/Baquacil or Mineral Springs chemicals added at additional cost. |
| 4. Visual inspection of pumps, filters, plumbing, heater, etc. | |

▶ **Pool cover and winter accessories will be left poolside unless otherwise instructed by pool owner.** ◀

If water is dirty (Unclear/Cloudy), Aqualand can not ensure a debris free pool. In these cases, BLIND vacuums are performed in an attempt to remove excess debris. If needed, return trips can be performed at our normal service rate.

By signing the above line, you are authorizing Aqualand Pools & Spas to charge the credit card given above for all present/future pool or spa work performed unless prior arrangements have been made with a member of the management staff. Service performed includes labor, parts and chemicals, and other charges that are authorized prior to service, by the cardholder.

Payment is due prior to services rendered. Payment can be given to service team upon arrival at owner's pool. If not paid in full at the opening, the remaining balance will be charged to the required credit card listed above. Prices of travel, time, return visits, and additional services are at the discretion of Aqualand Pools. If payment, equipment, materials, electricity, or water are not available for the service team to perform their duties, a 2nd service fee will be assessed. Aqualand does not warranty any pre-season liability for equipment or structures.
